Job Announcement: King Abdul-Aziz University

Employer: King Abdul-Aziz University, English Language Institute.

Job Location: Jeddah, KSA.

Rank: Assistant Professor.

Fields: Applied Linguistics

TESOL

Job Description:
The English Language Institute at King Abdul-Aziz University, Jeddah, is now accepting applications for male and female assistant professors for its MA TESOL program. This program aims to teach graduate courses related to the field of TESOL.

Qualifications required:

- PhD in Applied Linguistics; TESOL, or any related equivalent degree from an accredited university;
- Ability to communicate accurately and fluently with full operational command of English.
- Teaching experience of more than three years.
Preferences:
Applicants who possess all or any of the following criteria would be given preferences:

- Publications related to the field of language teaching in recognized journals;
- Overseas teaching experience;
- Experience in curriculum development, assessment, and use of classroom technology.

Based on qualifications and years of experience, a competitive package is offered, including housing and furniture allowances, medical coverage, annual return tickets for the instructor and up to three dependents, 60 days fully-paid annual summer leave plus national holidays, and end of service benefits.

If you meet the aforementioned requirements, please email your CV along with scanned copies of your qualifications and documented evidence of previous employment to eli@kau.edu.sa
